

## Making modern medical care easier through old-fashioned house calls.

As the need for in-home medical care of the homebound elderly and disabled dramatically increases, **Rutgers Robert Wood Johnson Medical Group** aims to provide relief through our **Home Visit Service** community outreach program.

Doctors and associated health professionals will come to you or your loved ones, whether it be at home, with family, in an assisted living center, or in senior housing.

**Exceptional health care, all in the comfort of your own home.**

### Home Visit Service

317 George Street  
New Brunswick, NJ 08901

**888-784-5773**

**fax: 732-246-7317**

The Home Visit Service is facilitated by board-certified family medicine physicians from Rutgers Robert Wood Johnson Medical Group. One of the largest multispecialty physician practices in the state, Robert Wood Johnson Medical Group consists of more than 500 physicians with expertise in more than 200 subspecialty clinical programs, providing a full range of highly specialized services for children and adults. In addition to its main practice location in New Brunswick, Robert Wood Johnson Medical Group has facilities in Monroe, Piscataway, Princeton, and Somerset. More information about Robert Wood Johnson Medical Group can be found online at [www.RWJMedicalGroup.org](http://www.RWJMedicalGroup.org) or by calling **1-877-4RWJDOC**.

**House calls are our only responsibility at Robert Wood Johnson Medical Group Home Visit Service. We aim to keep you out of hospitals, emergency rooms, and waiting rooms whenever possible.**

Robert Wood Johnson Medical Group Home Visit Service will provide primary care ranging from the routine physical to care of multiple complex and serious conditions, like congestive heart failure, chronic obstructive pulmonary disease (COPD), dementia, and Parkinson's disease.

A **participating Medicare provider**, we accept Medicare and most major insurance plans.

## What We Provide

Our services include:

- **Medical examinations**
- **X-rays**
- **EKGs (electrocardiograms)**
- **Blood tests**
- **Urinalysis**
- **Ultrasounds**

Our Home Visit Service also works closely with area nursing agencies, therapists, social workers, podiatrists, and dentists to provide **comprehensive care that includes managing medications, wound care, hospice care, and hospital follow-up.**

## Managing Transitions in Care

In the event hospitalization is needed, Robert Wood Johnson Medical Group Home Visit Service works closely with your doctor and the rest of the area's exceptional doctors and hospitals. We will make your transition as smooth as possible, while helping ensure you get the highest quality inpatient care the region has to offer.

**If getting medical care has begun to feel overwhelming or challenging, then give us a call.** Our mission is to reduce your stress by providing the quality, comfortable, in-home care you need and deserve.

**For more information or to schedule an appointment, call 888-784-5773.**
